

## *PhoamWood*®

*The “super-light & elegant” Pelmet solution.  
It cuts, nails, glues, screws...just like wood!*

The latest innovation in decorative window furnishings is now available! Made from a material that is super-light, yet extremely strong, this “moulded” product adds a new dimension to window pelmet design and decoration. Ready to be painted in whatever finish you desire. An insert of padded fabric, wallpaper, a vertical slat, whatever,.....let your imagination run wild!

### **Classic Rope 30**

Profile width: 30cm  
Insert width: 183mm

Versatile design that works well in traditional or modern style décors.

### **Vogue**

Profile width: 21cm  
Insert width: 127mm

Simple clean lines for the contemporary décor. Goes together particularly well with any type of blind.

### **Napier**

Profile width: 19cm  
Insert width: 127mm

This design can be used in either contemporary or “art-deco” styles.

*The "super-light & elegant" Pelmet solution.  
It cuts, nails, glues, screws...just like wood!*

### **Florentine**

Profile width: 30cm  
Insert width: 183mm

Simply beautifully elegant design that compliments traditional, heritage and restoration projects.

### **Classic Rope 22**

Profile width: 22cm  
Insert width: 127mm

A simplified version of our Classic Rope 30 in an elegant narrower size.

### **Verona**

Profile width: 17cm  
Insert width: 90mm

The narrowest of all our designs. Verona looks the part in the most elegant surrounds.
